

HP Two-view Cling Film

Brand : HP

Product code: Q1915A

Product name : Two-view Cling Film

Two-view Cling Film - 240 g/m², 22.9m, White

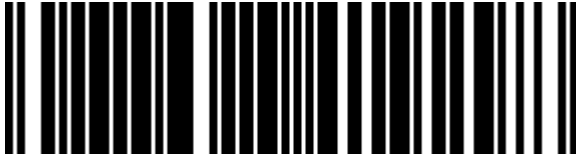

HP Two-view Cling Film:

HP Two-view Cling Film is a 9.1-mil reverse-print, translucent adhesive polyester film for sophisticated graphics. Matte on one side and a low-tack adhesive glue on the other side, it is designed for large format inkjet printers using water-based dye inks. Due to the low-tack adhesive, the film is easily mountable on all smooth surfaces—like windows—and can be repositioned without any glue; it rests on the surface. The result will impress customers from both sides, after printing once.

HP Two-view Cling Film. Finish type: Matte, Media weight: 240 g/m², Country of origin: Switzerland
