

HP Latex In-Line Slitters

Brand : HP

Product code: M2J33A

Product name : Latex In-Line Slitters

- You can simplify post processing while also saving time and manual effort when you slit prints during the printing process. Integrated HP Latex In-line Slitters do much of the finishing work for you, freeing your operator to do more.

- With up to four HP Latex In-line Slitters, you can position each one at different points across your media output. Experience greater flexibility and output versatility. Slit prints where needed—and do it all during the printing process.

- HP Latex In-line Slitters are fast and easy to install and remove. Increase productivity by reducing time and effort needed to install and remove slitters between jobs.
