

HP PageWide Pro 750dw Printer

A new era of affordable colour, high productivity, and strong security

Business moves fast, and slowing down means falling behind. It's why HP built the next generation of HP PageWide Pro – to power productivity with a smart, efficient design that delivers affordable colour, maximum uptime, and strong security.

HP's lowest cost for colour¹

- Get the quality you expect with HP PageWide Technology that delivers a low cost per colour page.¹
- Print more pages and replace cartridges less often with optional high-yield cartridges.²
- Print even faster – and save even more per page – by setting this printer to General Office mode.³
- Help keep costs down – this HP PageWide Pro uses significantly low energy.⁴

Minimal interruptions. Maximum uptime.

- Minimise interruptions with an HP PageWide Pro designed for the least maintenance in its class.⁵
- Wait less, do more with HP's best-in-class speeds – as fast as 55 ppm in colour and black-and-white.⁶
- Print Microsoft® Word and PowerPoint® files with a USB port that quickly recognises, formats, and prints.⁷
- Equip this HP PageWide Pro with a variety of accessories to meet the needs of your office.

Strong security designed to detect and stop attacks

- A suite of embedded security features help protect your printer from being an entry point for attacks.
- Help ensure the security of confidential information. Enter a PIN at the device to retrieve your print job.
- Easily set configuration policies and automatically validate settings for every HP printer in your fleet.⁸
- Prevent potential attacks and take immediate action with instant notification of security issues.

Designed with the environment in mind

- Conserve resources with an HP PageWide Pro designed to use significantly low energy.⁴
- Certified for ISO class 5 cleanrooms – perfect for sensitive environments.
- Help reduce your impact. Count on easy cartridge recycling at no charge through HP Planet Partners.⁹
- Keep noise to a minimum with a printer designed to be quiet. Place it near people without disrupting work.

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future. Learn more at: <http://www.hp.com/go/learnaboutsupplies>

Footnotes

¹ HP's lowest cost per colour page claim applies to devices that are not sold under contract: Comparison of HP PageWide A3 devices with the majority of HP colour ink/laser MFPs (€2,700–€6,750 Euros), and colour ink/laser single function printers (€1,350–€2,700 Euros) as of January/February 2017. Cost per page (CPP) reported by gap intelligence Pricing & Promotions Report January/February 2017, comparisons for devices/supplies not sold under contract are based on published specifications of the manufacturers' highest-capacity cartridges, inclusive of long life consumables and page yield. Average HP yield based on ISO/IEC 24711 and continuous printing in default mode. Actual yield varies based on content of printed pages and other factors. For more information, see <http://www.hp.com/go/learnaboutsupplies>.

² High-yield cartridges are not included in printer purchase; purchase separately. Comparison is based on ISO 24711 cartridge yields for HP 990 series High Yield Original PageWide Cartridges compared with HP 990 series Original PageWide Cartridges. Learn more at [hp.com/go/learnaboutsupplies](http://www.hp.com/go/learnaboutsupplies).

³ Comparison based on printing in Professional Mode.

⁴ Energy claim based on all TEC data reported on energystar.gov as of November 2016. Data normalised to determine energy efficiency of A3 HP colour laser printers with published speeds of 20 to 80 ppm, excluding other HP PageWide products. Subject to device settings. Actual results may vary.

⁵ Fewer service parts claim based on BLI analysis of leading in-class A3 MFPs as of August 2016; calculations use publicly available and/or published manufacturer rated yields for long-life consumables and assume 600,000 pages printed (using a 60% black/40% colour ratio).

⁶ Comparison based on manufacturers' published specifications of fastest available colour mode of all A3 HP colour business printers €900–€2,300 Euros and MFPs €2,000–€4,500 Euros as of August 2016, excluding other HP PageWide products. HP PageWide speeds based on General Office mode and exclude first page.

⁷ Feature works with Microsoft® Word and PowerPoint® 2003 and later. Only Latin language fonts are supported.

⁸ Requires separate purchase. For details, see <http://www.hp.com/go/securitymanager>.

⁹ Programme availability varies. For more information, visit <http://www.hp.com/recycle>.

Technical specifications disclaimers

¹ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to HP LaserJet or HP Colour LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

² HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

³ With ink installed, no media in trays.

⁴ Normalized TEC (watt hours per page): 0.155 Wh/Page
