Product code: C13S041618

Product name : Enhanced Adhesive Synthetic Paper Roll,
36" x 30,5 m, 135g/m²

Enhanced Adhesive Synthetic Paper Roll, 36" x 30,5 m, 135g/m²

[Epson Enhanced Adhesive Synthetic Paper Roll, 36" x 30,5 m, 135g/m²:](#)

This synthetic polypropylene-based (135 g/m²) paper with a self-adhesive back has a matt finish. It is ideally suited for presentations outside and inside for which a self-adhesive back is necessary. Lamination is recommended for the presentation of pictures in the open. Due to its durability, easy handling, and self-adhesive back, it is preferred by many users looking for another material than natural paper or resin-coated paper.
