PageWide XL 4600 40-in Printer with Top Stacker

HP PageWide XL 4600 40-in Printer with Top Stacker large format printer Inkjet Colour 1200 x 1200 DPI:

Speed up the printing process and help save money with this consolidated mono and colour printing solution from HP. Experience fast and intuitive operation from beginning to end and produce excellent technical prints – all with one device.

Dynamic security enabled printer Certain HP printers are intended to work only with cartridges that have a new or reused HP chip or electronic circuitry. These printers use dynamic security measures to block cartridges using a non-HP chip or electronic circuitry. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. Reused HP chips and electronic circuitry enable the use of reused, remanufactured, and refilled cartridges.
