Get more done with this reliable, plug and play printer which grows with your business. Fast, reliable and easy to use with a front-loading top roll, built-in networking and memory upgrades. Create highly accurate line drawings with HP Viverna inks.

Easily do more in less time and grow your business.

- Meet deadlines without sacrificing quality with 2 A1-sized prints per minute using the fast Economode print setting.

Small details increase your power to communicate.

- Achieve rich, dark blacks and fine detailed lines with 6 Original HP inks, including 2 blacks and a grey ink.

Focus on your design with a reliable printer.

- Work with confidence as this printer easily handles complex files, and with in-printer processing architecture and dedicated file processing memory, files are processed in the printer, not your workstation.
